THE WILDLANDS STUDIES WAY

- Nomadic by nature
- Be a big part of a small team
- All majors/levels of experience welcome
- Discover your passion
- Gain field experience
- Network with professionals and explore careers
- Affordable

“Wildlands Studies is the program that opened the door for me to be aware, think critically, expand my curiosity, tolerate adversity, and to not be afraid of the world, but to explore it”

- endorsement from a Summer 2021 Iceland Program participant

We're inspired by wildlife and wildlands
