

UCSB ES Program's Missing Alumni "Hit List" - Updated 1/13/17

AWESOME!!! Since the first posting of this list 88 alumni have completed their survey - Thank you!
See a list of names at the end of this list.

Unfortunately, the "Hit List" of lost ES Alumni who we don't have their contact info or have yet to follow through with their pledge to complete the survey has grown close to 400 names. And that's just the names of alumni we are actively seeking. There's another 4,000 we have yet to start tracking down!

Below is alphabetical list of names of those alumni we are trying to locate and encourage to complete the survey. Any help you can provide in getting these graduates to complete the survey by 1/17/2017 would be greatly appreciated. Feel free to contact anyone you know and challenge them to do the survey. You are also encouraged to forward their current contact info and I will send them a friendly reminder on your behalf. Send updated alumni contact info to Eric Zimmerman via email: zimmerman@es.ucsb.edu
