

Do Your Own UCSB Degree Audit Online 24/7 (Using GOLD)

A degree audit is an individualized report run by the Office of the Registrar that lists how your completed courses and exams apply towards satisfaction of all University, College (including general education), and major requirements. It lists all coursework you have taken at UCSB (including UC EAP) and any courses taken at other institutions for which you were awarded credit. The requirements listed in your degree audit are based on your official declared major and catalog year.

Students can run their own degree audit at any time through **GOLD**, using current, up-to-date information. Unfortunately, at this time, students who are pursuing multiple majors are not able to run degree audits; however, you can still run a progress check (GE and University requirements) in **GOLD**. Double majors are advised to visit their department advisors to check their status in each major. Questions about degree audits can be answered by visiting the Office of the Registrar's 'Degree Audit' webpage at <https://registrar.sa.ucsb.edu/audit.aspx>

Five easy steps to access your degree audit:

1) Logon to **GOLD** using your UCSB NetID and password

2) Select 'Academic History' from the menu on the left

3) Then click on the blue 'Degree Audit' tab.
Not the 'Progress Check' tab!

The 'Run Audit' tab should show up indicating the audit available for your currently declared major.

4) Check 'Use in-progress courses on my audit' to include currently enrolled courses as part of the audit

5) Click the 'Run Audit' button and your audit will appear

The screenshot shows the GauchO On-Line Data interface. The left sidebar menu is expanded to 'Academic History'. The main content area has tabs for 'Welcome', 'New Student Profile', 'Credit Memo', 'Progress Check', 'Degree Audit', and 'Course History'. The 'Degree Audit' tab is selected and circled in red. Below the tabs, there is a calendar for September 2017 and a list of audit options with brief descriptions: 'New Student Profile', 'Credit Memo', 'Progress Check', 'Degree Audit', and 'Course History'. A red arrow points from the 'Degree Audit' tab to the 'Run Audit' button in the second screenshot.

The screenshot shows the GauchO On-Line Data interface with the 'Run Audit' tab selected. The 'Run Audit' button is highlighted in blue. Below the button, there is a checkbox labeled 'Use in-progress courses on my audit' which is checked. A red arrow points from the 'Run Audit' button to the 'Run Audit' button in the first screenshot. Another red arrow points from the 'Run Audit' button to the 'Run Audit' button in the second screenshot.

Here's a key to help you interpret your degree audit.

General Information

- Each degree requirement is reported in one of three ways:

OK	University GPA Requirement	OK (satisfied, with a green check)
No	Unit Requirements	NO (not satisfied, with a red 'x')
	Unit Summary	Information Only (with a blue 'i')

- Each degree sub-requirements is reported in one of three ways:

+	Current percent letter-graded units: (103.00 Units taken)	98.5 %	+ (satisfied)
-	B. PSTAI 126 and 160A required. NEEDS 8.00 units		- (not satisfied)
*	UCSB Courses: 49.00 Units Comp		* (information only)

- Most sub-requirements that are not satisfied will display how many courses and/or units are required to fulfill that sub-requirement.

- One methods course required. See major sheet for list of appropriate courses.
NEEDS 4.00 units 1 Course

- Most sub-requirements that are satisfied will display the course/s that were used to fulfill that sub-requirement. In the case where a course was passed on the first attempt and subsequently repeated for a better grade, the first passed attempt will be applied to the sub-requirement. The subsequent attempt will be factored into the GPA calculation as appropriate.

+ B. 3 courses from Comparative Literature.
