

Curriculum Vitae
Matto Mildenberger

Appointments

Associate Professor, Department of Political Science, University of California Santa Barbara. 2021 –

Director, 2035 Initiative, University of California Santa Barbara, 2022 –

Assistant Professor, Department of Political Science, University of California Santa Barbara. 2015 –
2021

Faculty Affiliate, Bren School of Environmental Science & Management, UCSB. 2016 –

Faculty Affiliate, Environmental Studies Department, UCSB. 2017 –

Education

Ph.D., School of Forestry and Environmental Studies, Yale University, 2015.

M. Phil., School of Forestry and Environmental Studies, Yale University, 2013.

M.A., Balsillie School of International Affairs, University of Waterloo, 2010.

Hon. B.Sc., University of Toronto, 2007. Majors: Botany, International Relations.

Publications

Books

Matto Mildenberger. 2020. *Carbon Captured: How Business and Labor Control Climate Politics*. Cambridge, MA: MIT Press.

Stephen Clarkson and Matto Mildenberger. 2011. *Dependent America?: How Canada and Mexico Construct US Power*. Toronto, ON and Washington, DC: University of Toronto Press/Woodrow Wilson Center Press.

Journal Articles

Recent Awards and Fellowships

2019. Charles Redd Award for best paper on the American West, Western Political Science Association Conference.
2019. Jack Walker Award for best article published in the last two calendar years on political organizations and parties, Political Organization and Parties Section, American Political Science Association
2019. David P. Baron Award for best paper published in *Business & Politics* in 2018.
2018. [Co-winner] Warren J. Mitofsky Innovators Award for accomplishments in the fields of public opinion and survey research, American Association of Public Opinion Research (AAPOR). [Award given to Yale Project on Climate Change Communication research team for climate opinion statistical downscaling research]
2017. Patrick J. Fett Award for best paper on the scientific study of Congress and the presidency, Midwest Political Science Association Conference
2016. Virginia M. Walsh Best Dissertation Award, Science, Technology and Environmental Policy (STEP) Section, American Political Science Association

- 2014-2015. Graduate Fellow, Institution for Social and Policy Studies, Yale University
- 2011-2014. Social Science and Humanities Research Council (SSHRC) Doctoral Fellowship
- 2008-2009. Balsillie Fellowship, Center for International Governance Innovation (CIGI)

Grants

2021. Preston-Werner Ventures. "Funding for ENVENT Lab," (with Leah Stokes). \$100,000.
2021. Schmidt Family Foundation: The 11th Hour Project "ENVENT Lab Support," (with Leah Stokes). \$90,000.
2020. Russell Sage Foundation. "How inequality in communication to Congress perpetuates political inequality," (with Leah Stokes, David Broockman and Alexander Hertel-Fernandez). \$158,250.
2020. Democracy Fund. "How inequality in communication to Congress perpetuates political inequality," (with Leah Stokes, David Broockman and Alexander Hertel-Fernandez). \$50,000.
2020. Economics and Environmental Policy Research Network. "The politics of low-carbon economic transitions in Canada," (with Kathryn Harrison and Leah Stokes). \$40,000 (CAD).
2020. Collaborative Research Initiative Grant, Institute for Social, Behavioral and Economic Research. "Exploring Public Attitudes Amidst Crisis: COVID-19 and Climate Change." \$5,000.
2019. Natural Hazards Center, University of Colorado Boulder. "How Californian power outages in October 2019 shaped perceptions of and behavioral adaptations towards future natural hazards." (with Peter Howe, and Leah Stokes). \$3,000.
2019. Balzan Foundation [Sub-award from Princeton University. "The politics of deep decarbonization: Comparative case studies of electricity sector transformation," (with Leah Stokes and Hanna Breetz). \$70,000.
2019. Energy Foundation. [Sub-award from Yale Project on Climate Change Communication. "Developing cost-effective methods to measure high-resolution climate opinion in the United States and abroad." \$13,042.
2019. Rockefeller Family Fund. "Public support and coalition potential for the Green New Deal," (with Leah Stokes and Parrish Bergquist). \$8,500.
2019. Economics and Environmental Policy Research Network. "Canadian climate politics panel survey," (with Erick Lachapelle, Kathryn Harrison and Leah Stokes). \$60,000 (CAD)
2018. United States Coastal Research Program, US Army Corps of Engineers. "Communicating sea-level rise risks to publics in high-risk FEMA flood zones." (PI, with Jennifer Marlon and Mark Lubell). \$72,095.
2018. Hellman Family Faculty Fellowship. "Prospects for climate risk mitigation in a post-Paris world." \$42,105.
2017. Carsey-Wolf Center Faculty Research Support Grant. "Defenders of the environment" (with Leah Stokes). \$4,500.
2017. [Co-applicant]. Social Science and Humanities Research Council of Canada. "Greening growth partnership: Connecting research with policy for an innovative, sustainable economy" [Total network grant: \$2,500,000 (CAD).

2017. UCSB College of Letters and Science Conference Support Grant. "Southern California Methods Workshop" (with Leah Stokes). \$2,200.
2017. Overlook International Foundation. [Sub-Award from Yale Project on Climate Change Communication]. "Advancing high-resolution multilevel regression and post-stratification models of American climate opinion." \$11,594.
2016. UCSB Academic Senate Faculty Research Grant. "The UCSB Environmental Politics Panel." (with Sarah Anderson). \$10,000.
2016. Dirksen Congressional Research Grant. "Power, perceptions, and policy: A survey of legislative staffers" (with Alexander Hertel-Fernandez and Leah Stokes). \$3,500.
2016. University of California Office of the President's Carbon Neutrality Initiative Curricular Development Grant. \$1,200.
2014. Rockefeller Family Fund Conference Grant. "Designing durable and ambitious climate policy in the United States." \$25,000.
2012. Sobotka Collaborative Research Grant. "When do fossil fuel companies support environmental policy? A cross-national comparison in federalist democracies" (with Benjamin Cashore). \$20,000.
2011. Waterloo Institute for Complexity and Innovation (WICI) Research Grant. "Exploring the state space of ideological possibility." \$7,500.
2010. Yale Institute for Biospheric Studies Dissertation Improvement Grant. \$4,200.

2009. Visiting Researcher, International Food Research Policy Institute (IFPRI).

Invited Talks and Workshops

Invited Talks

- 2024: University of Southern California; University of Bergen; Bocconi University; University of Pennsylvania
- 2023: University of California Berkeley; Rutgers University; Northeastern University
- 2022: Columbia University; American University; Notre Dame University; European Institute on Economics and the Environment
- 2021: UC Merced; John Hopkins University; University of Texas Austin; Boston University; University of Pennsylvania
- 2020: London School of Economics; University of Sussex; United States Coastal Research Program
- 2019: Massachusetts Institute of Technology; UC San Diego; New York University; World Bank
- 2018: University of Victoria
- 2017: University of California Davis
- 2015: University of Michigan
- 2014: University of Connecticut; UC Santa Barbara
- 2013: George Mason University; University of Bergen
- 2012: Woodrow Wilson International Centre for Scholars; University of Waterloo
- 2009: University of Toronto

Invited Workshops

* Denotes academic paper delivered at workshop

- 2020: *London School of Economics (February); *Center for Advanced Study in the Behavioral Sciences, Stanford University (February); *Smart Prosperity Institute, University of Ottawa (February); NYU Wagner School (March); Book workshop for Tasha Fairfield and Andrew Charman, University of California Berkeley (May); Virtual IPES, International Political Economy Society (June)
- 2019: *Coevolution of Politics and Technology workshop, ETH Zurich (January); *University of Pittsburgh European Studies Center (March); *Comparative Political Economy of Energy Transitions workshop, University of Luzern (June); London School of Economics (July); Southern California Methods Workshop (September)
- 2018: Ideological Conflict Project workshop, University of Victoria (September); *Southern California Methods Workshop (September); Greening Growth Partnership Political Economy workshop, University of Ottawa (September); *Mass Politics of Environmental Policymaking workshop, Stanford University (October)
- 2017: Scholars Strategy Network Annual Meeting, Chicago (May); *Southern California Methods Workshop, Santa Barbara, CA (September)

2016: *University of Pittsburgh European Studies Center (May); *Syracuse University Institute for Qualitative and Multi-Method Research (June); Book workshop for Prof. Alexander Hertel-Fernandez, Columbia University School of International and Public Affairs (August); Southern California Methods Conference, UC San Diego (August); *Social Science Research Council (SSRC) Democracy Working Group on Climate Change Workshop, Princeton University (November)

2015: Scholars Strategy Network Annual Meeting (October); *Columbia University Laboratory for Sustainable Societies (November)

2012: *Harvard University State and Capitalism Since 1800 Seminar: Graduate Students Workshop, (November)

Workshop and Conference Organizer

2019: Environmental Politics and Governance Conference (June)

2017: Southern California Methods Workshop (September)

2017: Sustaining Movement Momentum and Building Political Power Conference (June)

2016: UCSB Environmental Politics Conference (May)

Teaching

Graduate

Quantitative Causal Inference (POL 207). UCSB Political Science. 2016, 2018, 2019, 2020.

Introduction to Quantitative Methods (POL 205). UCSB Political Science. 2016, 2020.

Comparative and International Environmental Politics (POL594E). UCSB Political Science. 2016, 2017, 2019, 2020.

Psychology, Environment and Public Policy Seminar (POLS594PP; ESM 595HH). UCSB Political Science/Bren School. 2015, 2016, 2017, 2018, 2019, 2020.

Undergraduate

Business and Politics in Comparative Perspective (PS106BP). UCSB Political Science. 2016, 2019.

Comparative Environmental Politics (PS177). UCSB Political Science/Environmental Studies. 2016, 2017, 2018, 2019, 2020.

Introduction to Political Science Research Methods (PS15). UCSB Political Science. 2017, 2018, 2020.
